Prepared / model date	October 16, 2026
Status	SAMPLE - FICTIONAL / NOT VERIFIED

UNSIGNED SPECIMEN - NOT FOR RECORDING

This fictional conveyance illustrates a deed document in the investor vault. It does not transfer title. No legal description, title search, recording, notarization, or execution has been completed.

Transaction field	Illustrative entry
Grantor	RC Sample Seller 1 LLC (fictional entity)
Grantee	RC Property 1 SPV LLC (fictional entity)
Property reference	Catalog property 1: Luxury Downtown Apartment
Location	New York, NY
Illustrative consideration	USD 450,000.00 (catalog asking price; not evidence of payment)
Parcel / recording reference	RC-DEMO-001; no actual parcel number or recording reference

1. Illustrative conveyance

For the illustrative consideration stated above, Grantor would convey its interest in the property identified in Exhibit A to Grantee, together with related improvements and appurtenant rights, subject to the exceptions listed in that exhibit. This example contains no representation that Grantor owns the property.

2. Capacity and title

The example assumes a transfer between legal entities through authorized signatories. Actual ownership, authority, vesting language, warranties, tax treatment, and applicable local recording requirements require independently prepared transaction documents.

Exhibit A & execution schedule

A1. Property identification - illustrative only

Catalog ID 1; Luxury Downtown Apartment; New York, NY. Property configuration: 1 x 3BR / 2BA condo, 1,800 sq ft. No street address, surveyed boundary, condominium declaration, lot/block description, or registry reference is supplied by this sample.

A2. Legal description and interests

A valid legal description would be attached from verified title and survey records. For a condominium, the unit, common interests, declaration, and recorded amendments would also be identified. This catalog description must not be used as a legal description.

A3. Exceptions to be established

Recorded easements, covenants, restrictions, taxes and assessments, existing tenancies, association interests, liens, and other title exceptions must be established from actual due diligence. This list is illustrative and does not certify that any exception exists or is absent.

Execution schedule - intentionally blank

Required item	Sample status
Grantor authorized signatory	UNSIGNED - no person has executed this specimen
Grantee acknowledgment / acceptance	UNSIGNED - subject to actual transaction requirements
Notarial acknowledgment	NOT PERFORMED - no seal, commission, or attestation
Delivery and recording	NOT DELIVERED / NOT RECORDED
Prepared by / return to	Fictional sample; actual preparer and return address not provided

Relationship to investor governance

The grantee SPV shown here is fictional and is not the SPV configured in the app. This specimen neither binds investors, the SPV, or the owner nor replaces the DAO agreement. An actual deed and the executed governance agreement serve different purposes.
